---

## OBJECTIVE

"A self-motivated programmer seeking a job opportunity to enhance programming skills and contribute to innovative projects. Committed to a career in programming."

## QUALIFICATION

"Master's in Supply Chain Management (Expected: March 2024) - Virtual University.

Bachelor's in Commerce (Graduated: August 2020) - Punjab University."

## Programming Skills

- **Programming Languages:** Proficient in HTML, CSS, JavaScript, and Python, with a focus on building dynamic and user-friendly web applications.
- **Front-end Development:** Experienced in creating interactive and responsive web interfaces using React.js, a modern and popular front-end framework.
- **Tools & Frameworks:** Skilled in utilizing Bootstrap to design visually appealing and consistent web layouts, ensuring a seamless user experience.
- **Version Control:** Proficient with Git, facilitating collaborative development by managing code repositories and version tracking.

## EXPERIENCES

Banking Associate at Askari Bank Rawalpindi from December 2020 - May 2023

- Demonstrated strong attention to detail and organizational skills in a fast-paced banking environment.
- Collaborated effectively with team members to achieve project goals and meet deadlines.

## Projects

Designed and developed a personal website to showcase my programming portfolio, including HTML, CSS, and JavaScript components. [My Portfolio](#) [Personal Website](#)

## Professional development

"Web Development Bootcamp" – Udemy, "Advanced Python Programming" – Coursera, "UX/UI Design Workshop" – YouTube – 'meta front end development' - coursera
